VEGAN FRIENDLY

PIZZOLATO

ORGANIC WINE

NO ADDED SULPHITES NOVELLO IGT
ORGANIC, VEGAN CERTIFIED WINE FROM RESISTANT VINES
SALE AVAILABILITY: FROM 1ST NOVEMBER

PRODUCTION AREA:	Veneto
GRAPE:	Novello with Piwi red grapes (Merlot Khorus and Cabernet Cortis). Piwi are vines resistant to fungal diseases. They are the result of a constant search for man and a selection, in progress for several decades, of crosses between the varieties of vitis vinifera (from wine) and varieties of American vine (resistant to fungal diseases). The advantage is the minimum number of treatments carried out and the consequent environmental impact for their cultivation.
VINIFICATION:	100% CARBONIC MACERATION The grapes just picked- up, are not divided to their peel and are spilled in a hermetic tank that is saturated with carbon anhydride, for about a week. Inside the tank, the bunches that are located on the bottom remain pressed by the weight of the grapes above. The natural crushing of the grapes produces the formation of must that, thanks to enzymes, begins to ferment, producing alcohol and further carbon anhydride. It begins malolactic fermentation. After this, the must is pressed and placed in a vat where, in a few days, the sugar will transform into alcohol.
